EXPERIENCE

Nov-2022 to Jan-2023

EleviantTech (CTG), Coimbatore— Software Developer

As a C# developer intern, you'll explore cutting-edge technologies, unlock the potential of .NET, master SOLID principles, embrace MVC, and build exceptional solutions.

Aug-2021 to Nov-2021

Pgm Software Solution, Tirupur — Software Developer

As a software developer at PGM Software Solutions, you've embarked on an incredible journey. Your current project involves crafting a cutting-edge mobile app that seamlessly integrates with ERP software.

June -2021 to July 2021

Webismizing Media, Gurugram, Haryana – Web Developer

I have worked as a full-stack Web developer and am in the process of developing an Auto care web presence that involves both front-end, back-end, and SEO.

May 2021 - June 2021

Sri Anjaneya Services, Coimbatore — Web Developer

During a three-month internship, I seamlessly juggled the roles of UI/UX designer and web developer, passionately creating captivating user experiences through meticulous design and intuitive interfaces.
